

They Know Me So Well.

Tuesday, 01 December 2009

The next day when I got to school Mrs. Lee came up to me and told me that the City of Yeosu had called the school and said that it was mandatory that I attend t he food tasting. SCORE! ... The main purpose of the tasting was for us westerners to try Korean food and make note of what we did and did not like about it. This was all for the 2012 Expo....
